In re Search Warrant dated November 5, 2021, Case No. 21-MC-00813 (AT)

Dear Judge Torres:

On March 14, 2022, Project Veritas received from its email service provider, Microsoft, Inc., copies of certain orders and warrants issued in the above-numbered magistrate matters. We do not believe such indirect notice of these magistrate judge actions constitutes service, or oral notice, as prescribed by Fed. R. Crim. P. 59(a). Among other reasons, the dockets in these matters all appear still to be sealed at the request of the government.

Nevertheless, and for the avoidance of doubt, Project Veritas objects to the actions taken in these magistrate judge matters, both those actions known to us via receipt of the above-mentioned orders and warrants, and unknown actions yet to be revealed.

We respectfully request that Project Veritas be afforded fourteen (14) days to serve and file written objections to these actions from the date the government causes the dockets in these matters to be unsealed.

Respectfully submitted,
